This Gazette is published for Police information only, and the Police throughout the Colony are instructed to make themselves thoroughly acquainted with the contents.

FRED. HARE, Commissioner of Police.

No. 9.]

WEDNESDAY, FEBRUARY 27.

[1901.

Circular Orders and Miscellaneous Information.

C.O. $\frac{7}{1901}$.—An unknown disease has been present amongst opossums and other indigenous animals for the last twelve months, and has affected them to such an extent that they have become almost extinct in the country districts.

To enable the officers of the Lands Department to obtain all possible information upon this subject, members of the police force in the country districts are directed to inquire into the matter, and report all the particulars they can glean.

If, in any places, no information can be obtained, that fact should be reported likewise.

FRED. HARE,
Commissioner of Police.

20th February, 1901.

C.O. $\frac{8}{1901}$.—In future the Department will be required to pay for telegrams despatched on police business throughout the State.

Attention is therefore specially directed to the regulations dealing with the transmission of telegraph messages by members of the force.

The requirements of Regulation 673 must be strictly complied with, so that all unnecessary expenditure for telegrams may be avoided.

A return of the number of telegrams despatched from each station, showing the name and address of the person to whom sent, the subject, briefly, and the cost, must reach the Chief Office as soon after the close of each month as practicable.

FRED. HARE,
Commissioner of Police.
