Special Inquiry.

Special inquiry is requested for the purpose of identifying the remains, presumably of a white man, found at Starvation Boat Harbour on the 20th ult., and, from appearance, death must have occurred about 12 months ago. It is supposed he was a man about 5ft. 6in. in height, with grey hair and beard, and may have been slightly bald. One tooth is missing from the right lower jaw and three from the left upper jaw. His clothes consist of a pair of dungaree trousers, an under flannel formerly white, a slop-made dark tweed coat, a flannel belt about 4in. wide, fastening with three ordinary buttons, the rim of a dark brown felt hat, and a pair of English-made lace-up boots of fairly good quality, with toe caps and plain soles; they have been half soled, sewn, and a separate piece of leather, about 2½ins., has been rivetted on the centre of each sole, and, from appearance, deceased evidently walked principally on the ball of the foot. A small canvas water bag, together with a bamboo stick about 4ft. long, probably used for the purpose of walking, were found near the remains. Information to the Criminal Investigation Branch, Perth.—B2/3242.

Special Inquiry is requested for the whereabouts of ROBERT JOHN RAYNER, age 53 years (no description given), a bootmaker; who left England for Australia in 1888, and was carrying on business as a bootmaker in Smith Street, Fitzroy, Melbourne, until about 9 years ago, when he came to this State, and was last heard of about 3 months ago, when he was residing at 5 Cowle Street, West Perth, and may possibly have gone to the goldfields. He is also a champion swimmer. If traced endeavours should be made to persuade him to forward a certain sum of money, monthly, for the support of his wife, who resides at 1 Thornhill Crescent, Barnsbury, London N., England. Inquiry by the Victorian police on behalf of his wife. Information to the Criminal Investigation Branch, Perth.—B2/3110.

Special inquiry is requested which may lead to the identification of the body of a man whose name is supposed to be P. A. Walsh, who was found dead in a clay hole at Victoria Park, near Perth, on the 29th ult. (*vide* Inquests this *Gazette*, B2/3261). Description: stout build, age 60 to 65 years, height 5ft. 8in. or 9in., grey hair and short scraggy beard, dressed in white moleskin trousers and black cloth coat and vest, a billy can was in his right hand, and from appearance the body had evidently been in the water some considerable time. A swag was found about 60 yards distant, containing a canvas bag, bearing on the outside a Railway parcels' office ticket, which it has since been ascertained was entered in the parcels office book in the name of P. A. Walsh, 31st October, 1901. Information to the Criminal Investigation Branch, Perth.—B2/3261.

Special inquiry is requested for the whereabouts of JOHN THOMPSON, medium build, age about 45 years, height about 5ft. 6in. or 7in., dark brown hair turning grey, brown moustache, very large nose, sallow complexion, teeth missing from upper front jaw, a brickmaker, and a native of Grafton, New South Wales, who deserted his wife Amelia Thompson, and three of his children, in January last, leaving them in Sydney destitute. He was last heard of about five months ago at Midland Junction, in this State, and had been working at the Oakover brickyard. On leaving there he stated it was his intention to go to Geraldton, and was accompanied

by two of his sons, aged 11 and 14 years. If traced, endeavours should be made to persuade him to forward a certain sum monthly for the support of his wife and children. Inquiry by the New South Wales police on behalf of his wife. Information to the Criminal Investigation Branch, Perth.—A2/11792.

Was last heard of at Boulder about 2 years ago. A separation order was made against him at Kalgoorlie about 5 years ago. Inquiry by his wife Margaret Pritchard, 251 Beaufort Street, Perth.
