Special inquiry is requested for the purpose of identifying the remains of a man found on the 22nd ult., about 2 miles from Wooroloo Railway Station, and described as follows: Slight build, age about 50 years, height about 5ft. 7in., probably had grey hair, slender hands and feet, long narrow finger nails, dressed in a brownish tweed sac coat and trousers, "E. Berry & Co., Perth," on trouser buttons; blue flannelette shirt with collar and bone neck stud; black lace-up boots, size 8, medium square toes, sprigs in soles; light-coloured felt hat with black band and "Melville" stamped in gold letters inside; and a leather belt, knotted in two places, with brass snake pattern fastening. He may be identical with a man who gave the name of James Murphy, who was working in November last for a farmer named Elliott, in the Wooroloo district, with whom he remained a few days and then suddenly disappeared. Information to the Criminal Investigation Branch, Perth.—B2/4771.

Circular Orders and Miscellaneous Information.

C.O. 8/1903.—His Excellency the Administrator in Council has been pleased to approve the following revised Scale of Subsistence Allowance for the Police Force, to take effect from the 1st March, 1903. The previous scale, C.O. 27/98, 1st August, 1898, is hereby cancelled:—

	Rate per diem.
	s. d.
Superintendent	12 6
Inspectors	12 6
Sub-Inspectors	10 0
Sergeants	8 6
Detectives	9 6
Corporals and Constables	6 0
Corporals and Constables travelling on duty in the Police Districts of Coolgardie, East Coolgardie, North Coolgardie, and Murchison	7 6
Police employed on Escort duty on the main Gold Escort routes between Wiluna, Lawlers, and Malcolm; Norseman and Coolgardie; and Peak Hill and Nannine	12 0

Members of the force travelling on the Eastern and Murchison Goldfields (except on the main gold escort routes), will be allowed 25 per cent. additional to the above rates.

The following maximum allowance will be granted to the police travelling on duty who are unable to return to their station within nine hours—provided they are necessarily absent not less than five hours.

Officers	2 6
Sergeants and Detectives	2 0
Corporals and Constables	1 6

(The 25 per cent. extra allowed on the Goldfields will also apply to this rate.)

Two-thirds of the above-named daily rates may be claimed by police absent on special duty from 12 to 16 hours. The full daily rate will be allowed to police absent on duty for twenty-four hours. In claiming for portion of a day over and above the twenty-four hours, one-fourth of the daily rate will be allowed for every six hours.

Plain Clothes Constables travelling on duty are entitled to draw the same subsistence allowance as detectives.

Members of the force, exclusive of District Officers, travelling on patrol or other duty (except gold escort) in the Western, Roebourne, and Kimberley Districts, where means of transport for rations, etc., are provided by the Department, cannot claim subsistence allowance if in receipt of ration allowance.

Members of the force proceeding to a station on temporary transfer, or on relief duty, will be entitled to subsistence allowance whilst *en route* to and from such station, and for a period not exceeding three weeks from date of arrival. Beyond that term the usual lodging and ration allowance only will be granted, except in the case of married men, who will continue to receive the subsistence allowance, less 25 per cent., during the remainder of the period temporarily absent from station.

The preceding clause will not apply to members of the force detailed for temporary transfer, or relief duty at the Suburban stations, in the Metropolitan, Fremantle, and East Coolgardie districts, within a radius of six miles from the head station. A special allowance of 3s. per day only will be granted for such duty.

TRAVELLING BEYOND STATE LIMITS.

Officers travelling on duty beyond the State limits will be entitled to the following rate of subsistence allowance:—
