

# CORBETT'S WORCESTERSHIRE SALT.

(Made from the Natural and Pure Brine Springs of Worcestershire.)

The World-known  
**BLACK HORSE BRAND.**

London Agents:  
**WESTON & WESTALL, LTD.**

The only Salt used by the Minister of Agriculture of Victoria, Australia, in the Government Dairy, at the Melbourne Exhibition, 1888-9, was the Black Horse Brand, except on the occasion of experimental shipments of Butter being made to the London Market. The result shows that Butter cured with the Black Horse Salt realized 120s. per cwt., while that cured with Salt of other makers realized only 93s.—an important fact which speaks volumes in favour of the Black Horse Salt.
