Queensland Post Office Directory

(WISE'S)

THIS WORK is revised and issued annually and includes Papua or British New Guinea. Queensland has a population of 692,000 while the area is 670,500 square miles. The population of Brisbane and Suburbs is 161,938.

Papua, or British New Guinea, has an area of 90,540 square miles, the capital being at Port Moresby. The white population of Papua is small but the native population is very large.

The Queensland Post Office Directory embraces an extensive area in both Queensland itself and Papua and it will be readily seen that the annual preparation of the Directory is one of great magnitude.

Street Directories of Brisbane, Bundaberg, Charters Towers, Maryborough, Rockhampton, Toowoomba and Townsville are shown, while separate alphabetical Directories of every Township, Borough and District combined with a complete Alphabetical Section and a Trade Section all assist in making the volume indispensable to the progressive business man.
