## LOCAL GOVERNMENT

For the purposes of the Land Regulations and Geographical divisions the State is divided into five Divisions.  
 Population as at 31st December, 1936: Males, 238,704; Females, 212,853. Total: 451,557.

South West Division contains 98,305 square miles, and is the most temperate part of Western Australia. It is the portion of the State first settled, & is devoted mainly to mixed farming, dairying, forestry, and fruit growing.

Eastern Division, where the principal goldfields are situated contains an area of 451,850 square miles, and comprises

the far interior of the State.  
 North West Division contains 216,275 square miles, and is a rich, pastoral division embracing large tracts of metalliferous country.

Kimberley Division contains an area of 133,340 square miles, and includes large tracts of excellent cattle country as well as extensive sheep runs.

The Kimberley Goldfields, situated at the watershed of the Fitzroy and the Ord, are within this division.

Euelia Division contains 76,350 square miles, and contains many miles of splendid pastoral country and some wheat land.

Total Area, 975,920 square miles (624,588,800 acres)
