

From a very small beginning 44 years ago, BOANS LIMITED has progressed to such an extent that to-day it is EASILY the largest and most popular departmental store in Western Australia. It is an outstanding sign of progress in this State. With four large floors and a basement, covering a total area of nearly 9 acres, and with 101 huge departments, it is a Universal Provider in every sense of the word. The size and turnover enable it to carry by far the largest stocks in the State, and, by ordering huge quantities, to buy those stocks at the lowest prices throughout the markets of the World. Therefore, when you buy from BOANS, you are assured of the best selections at the lowest prices.
