

Cartographic Note (CN): CN141.1

Collection of maps lent for copying by the New Norcia Benedictine Mission, January 1982.

CN notes:

- Maps are all on microfilm and are part of [Acc 2916A](#) [MN 629/4]
- Maps showing land holdings, wells and roads in the Victoria district near Wongan Hills and New Norcia, as well as Subiaco (1854 – 1937)
- Most of the maps are hand-drawn and show land held by Bishop Rosendo Salvado and the Order in Perth and the Midlands region between Mingenew and Gingin. Many early settlers' lands are shown as well as water sources, tracks, and topographical features.
- Titles in inverted commas are titles written on the map. Spellings are as given on the map.
- **These maps are restricted, and written permission must be obtained from New Norcia to view and/or copy.**
- Microfilm is stored with the Private Archives restricted microfilm [[Acc 2916A](#) (MN 629)] and should be viewed in the Leah Jane Cohen Reading Room on the 3rd level of the Library.
