

Cartographic Note (CN): CN141.2

Collection of maps lent for copying by the New Norcia Benedictine Mission, January 1982.

CN notes:

- Most are published maps, some having manuscript additions. Many are of peripheral Western Australian content. This small collection completes the copying of maps held by the New Norcia Archives Office.
- Maps are all on microfilm and are part of [Acc 2953A](#) [MN 629/5]
- These maps are restricted, and written permission must be obtained from New Norcia to view and/or copy.
- Microfilm is stored with the Private Archives restricted microfilm [Acc 2953A (MN 629/5)] and should be viewed in the Leah Jane Cohen Reading Room on the 3rd level of the Library.
