Access

The J S Battye Library provides access to original material. In some situations, this may not be possible and alternative formats such as microfilm, microfiche, typescripts or photocopies are supplied for researchers' use. Where alternative formats are available, these must be used.

Copyright Restrictions

The Commonwealth Copyright Act 1968 regulates copying of unpublished material. It is the user's legal obligation to determine and satisfy copyright.

Further Restrictions

To comply with adoption and other legislation, The Library has been required to restrict access to baptismal registers with entries dated post-1930.
