

MARRIAGE REGISTERS – METHODIST CHURCH, A-Z

This is a list of Western Australian Methodist Church marriage registers held in Private Archives. It is arranged alphabetically by church location and also lists some minister's names.

Until 1900 the Wesleyan Methodist Church in Western Australia operated as a District of the South Australia Conference of the Australasian Wesleyan Methodist Church. In 1900, the Western Australia Conference was formed. In 1902 the various Methodist Churches in Australasia united to form the Methodist Church of Australasia.

In 1977 the Methodist Church of Australasia united with the Presbyterian Church of Australia and the Congregational Union of Australia to form the Uniting Church in Australia

Note: Most locations are accessible from clicking on a word in the table of contents.

Also use the 'EDIT → FIND' function or 'CONTROL + F' to search for further records relating to a particular location in this document.

Restrictions

To comply with adoption and other legislation, the State Library of WA is required to restrict access to **Marriage registers with entries dated less than seventy five (75) years.**

To access such registers, researchers must complete an 'Application to View Restricted Records' form, attached at the end of this document, or contact the State Library of Western Australia.
