		Convict Files
		<p><i>Information on those transported to W.A. from Great Britain, Ireland, Military Court Martials of British military personnel, from other Transportation areas such as Bermuda and also those convicted in the Colony of Western Australia during the period of 1850 to 1868.</i></p> <p><i>The files are alphabetical and contain information on one side that was used to compile the Dictionary of Western Australians volume 2 "Bond 1850-1868." The other side gives information as to Ticket of Leave information, if found, on where, when, rate of pay, to whom employed, for how long the convict concerned was employed. Most of the information was taken from the individual convict record on accession 1156 "R1 to R31" Convict Registers. Not all convicts have this information particularly those transported from Ireland on the <u>Phoebe Dunbar</u>, the <u>Robert Small</u> and the Fenians transported on the <u>Hougemont</u>. Further information regarding these files can be found in the "Bond" Dictionary, volume 2.</i></p>
