PIONEER WOMEN'S MEMORIAL FOUNTAIN

Planning for the Pioneer Women's Fountain in King's Park commenced in 1963, and the Governor officially started the fountain on the 14 January 1968. It was sculpted by Mrs Margaret Priest and cast in Welshpool, being the largest bronze ever cast in Western Australia. The continuous cycle of water is intended to represent the ceaseless toil of pioneer women. An honour roll was added and contains the names of between 9000 and 10000 pioneer women. This accession consists of submissions of names to be entered onto the honour roll.

The Papers

The records were donated to the State Archives by Mrs J. D. McCooke, December 1967 (1571A), Mr D. Dettman, 16th July 1979 (3802A) and to the Battye Library by Dr Erickson, 25 February 1980 (5107A).
