

## HALE SCHOOL

Hale School is the oldest independent boys' school in Western Australia. It was founded in 1858 as The Bishops Collegiate School; between 1898 and 1929 it was known as The High School; and in 1929 it was renamed Hale School. The first campus was established at The Cloisters in St George's Terrace, Perth; in 1914 the school moved to Havelock Street in West Perth; and in 1961 it moved to Wembley Downs.
