

## PEOPLE FOR NUCLEAR DISARMAMENT (PND) WA

PND (WA) was formed in 1982 emanating from a meeting held 22 December 1981 at 306 Murray Street, Perth by representatives from a number of groups, including Campaign Against Nuclear Disarmament (CANE), United Nations Association, WA Peace Committee, Women Against Uranium Mining, Community Aid Abroad, Uniting Church Social Justice Division, Women's International League for Peace and Freedom and the Medical Society for the Prevention of War. PND's original goal was to organise a rally on Palm Sunday, April 4.

PND regularly protested against the visit to Fremantle by nuclear powered warships and conducted a campaign to have the US military base at Exmouth closed down. They also assisted in the successful election to the Senate of Nuclear Disarmament Party candidate, Jo Vallentine.

PND ceased to exist within a formal membership and committee structure in 2004 but several key organizers and members still get together to respond to nuclear issues on an "as needed" basis.
