The State Library of Western Australia eNewsletter **March 2017**

Message from the CEO and State Librarian

Welcome to the March edition of the Connect eNewsletter. The State Library has been abuzz with Fringe Festivities and new exhibitions. Sail away with the enchanting *Teacup* exhibition on the ground floor and wander up to the mezzanine where you learn about the WW1 Gallipoli campaign through the eyes of an ambulance bearer in the *Simpson & his Donkey* exhibition.

The State Library's new website has launched with a special focus on history and Western Australian stories such as **Fanny Balbuk** (1840-1907) a Noongar Whadjuk woman who lived in Perth during the early days of the Swan River Colony and is one of the traditional custodians of the Perth Cultural Centre land and waters. Fanny was known for her fierce commitment to land rights and the traditions of her people. The website also makes it easy to find **What's On**, what services are available and more WA Stories.

The State Library looks forward to welcoming you soon, either in person or online at www.slwa.wa.gov.au and I hope you are inspired by the activities below.

Margaret Allen, CEO and State Librarian
