

CHILDREN'S ACTIVITIES TIME SOCIETY INC. (CATS)

The Children's Activities Time Society was formed in 1965 by Joan and Brian Pope, with the intention of providing, through co-operation with like-minded individuals and groups, regular children's entertainment activities and "participation performances" which encouraged the development of the child. CATS were able to promote a regular programme of plays, art, music and drama classes and school holiday activity programmes at a time when there was no government sponsored equivalent.

CATS toured extensively throughout Western Australia and sent representatives to national conferences on childhood development and recreational needs.

CATS also published books on playground design, child-friendly facilities and activities in Perth and art and craft instruction for children.

CATS wound up in 2001.
